

PERFUSIONIST

OPPORTUNITIES IN SASKATCHEWAN

Under the direction of the Manager of Interventional Cardiology and Cardiac Support, and under the supervision of the Senior Clinical Perfusionist, the incumbent will be a member of the Cardiovascular and Critical Care team supporting all aspects of perfusion services including cardiopulmonary bypass (CPB), extra corporeal life support (ECLS), and facets of blood management.

Perfusionists who work at the Saskatchewan Health Authority (SHA) work with inter-professional members of the operating room teams in Saskatoon and Regina. Perfusionists work in shifts to cover the needs of the operating room as well as emergency on call coverage.

Qualifications:

- Cardiovascular Perfusion advanced certificate
- Successful completion of certifying exam of Cdn Society of Clinical Perfusion

Licenses:

- Basic Life Support Certificate (BLS)

Memberships:

- Registered/eligible for registration with the appropriate licensing body

Other Education and Training:

- Cardiopulmonary Resuscitation Level B Certificate (CPR)

Benefits and Incentives:

- Hiring incentive of \$100,000 may be available plus relocation up to \$3,000
- Defined benefit and Pension Plan
- Paid annual vacation
- MyWellbeing Program: resiliency resources, mental health & family supports
- Extended health and dental plan

Perfusionists working with the SHA are unionized employees and are members of the Health Sciences Association of Saskatchewan (HSAS)
