### Come work as a Cardiovascular Perfusionist with Vancouver Coastal Health (VCH)!

Vancouver Coastal Health is looking for a Perfusionist to join the Perfusion Services team at Vancouver General Hospital. Apply today to join our team!

#### As a Cardiovascular Perfusionist with VCH you will:

- Work under the direct clinical supervision of the Anaesthesiologist and the Surgeon and provide technical support in the direct application of extracorporeal perfusion techniques.
- Monitor physiological responses of patients undergoing open-heart surgery.
- Ensure effective and safe patient care.
- Demonstrate expertise and leadership in perfusion practice.
- Operate, prepare and maintain perfusion equipment.
- Maintain and advance your own clinical competence.
- Participate on designated Hospital committees/teams and approved research projects as assigned.

#### Qualifications

##### Education & Experience

- Current certification by the Canadian Society of Clinical Perfusion (C.S.C.P.).
- Graduation from an accredited school of Perfusion Technology and one year's recent, related experience or an equivalent combination of education, training and experience.

##### Knowledge & Abilities

- Broad knowledge of theory and practice for cardiovascular perfusion procedures.
- Broad knowledge and practice of safe work procedures with perfusion equipment.
- Broad knowledge of research process and methodology.
- Demonstrated ability to communicate effectively, both verbally and in writing, with co-workers, medical personnel, other health care staff and students, both one-to-one and in-groups.
- Demonstrated ability to organize and to establish workload prioritizes in collaboration with others.
- Demonstrated ability to work independently and collaboratively as a member of the interdisciplinary team.

- Demonstrated ability to adjust to new or unexpected events.
- Demonstrated ability to deal with conflict situations.
- Demonstrated ability to provide leadership and work direction.
- Demonstrated ability to use departmental and hospital policy and procedure manuals.
- Demonstrated skill in the use of medical and other supplies appropriate to the clinical area.
- Demonstrated ability in CPR techniques.
- Demonstrated ability to operate related equipment.
- Physical ability to perform the duties of the position.
- Basic computer literacy to operate a computerized patient care information system.

### Closing Statement

The hours of work including days off and work area may be subject to change consistent with operational requirements and the provision of the Collective Agreement and applicable statutes. Successful applicants may be required to complete a Criminal Records Review Check.

As per the current Public Health Orders, as of October 5, 2023, all employees working for Vancouver Coastal Health must be fully vaccinated for COVID-19 or have received a single dose of the most-recent, updated COVID-19 vaccine. Proof of vaccination status will be required.
