

Saskatchewan
Health Authority

Clinical Perfusionist

Saskatchewan Health Authority
Regina and Saskatoon, Saskatchewan, Canada

Are you a committed Clinical Perfusionist, striving to find a place where you can:

- Work with a **dedicated** operating room team focused on excellence
- Grow your practice in an environment where **evidence based clinical choices** are evident in all aspects of patient care
- Practice with a group of professionals **directly involved in research** and enthusiastic about tracking outcomes
- Receive an excellent **starting wage** and **benefits package**, including a **\$15,000 signing bonus** and **relocation assistance**

What's it like to live and work in Saskatchewan? There are:

- Beautiful communities that combine the vibrancy of a big city coupled with the easy work-life balance of a small community
- Low cost of living—owning your own home!
- Short commute times—more time with friends and family
- Various arts, culture, sports, and entertainment events!

Interested in joining our team? You will need:

- Certification with the **Canadian Society of Clinical Perfusion** and/or the **American Board of Cardiovascular Perfusion** (or certification eligibility)
- Completion of an accredited **Perfusion Technology** program
- Current **CPR Basic Life Support—Level C** certification
