Job Postings with the Society

For further information, please contact the National Office

Canadian Society of Clinical Perfusion

914 Adirondack Road

London, Ontario, N6K 4W7

(888) 496-2727

info@cscp.ca

You can advertise your perfusion-related job postings through our Society. We offer advertising within our job posting board located on our website, and an e-Blast mail out to all of our members to promote your position. If you need to simultaneously advertise two positions, you can do that for the price of one.

Price is \$2,500.00 CAD for a 30 day posting and one time eBlast to the CSCP mailing list

Continuation will allow you to refresh your information, and enjoy one further e-Blast mail out.

\$500 gives you an additional 60 days

Then \$250 for each consecutive 60 day block after the first 90 days.

To submit a new job posting, you can visit our website at cscp.ca, and navigate to

Submit a Job Posting page under the **Careers** tab in the **Professionals Area**.

Please complete the form. Any specific instructions should be included, such as publication start/end dates. Please upload a standard pdf document which will be your posting on the website. **Submit** this form to take you to our checkout for your payment. Our National Office will then contact you directly for specifics of the e-Blast mail out.

Please note that although it is your responsibility to renew a posting before the close date, we will attempt to send a reminder to you one to two weeks prior. Your posting will automatically be removed on the close date.

For Renewals only,

Artwork and e-Blast information can be forwarded directly to the National Office at info@cscp.ca

Renewal payments can be made through the **Make a Donation** tab in the **Patients and Families** Area.
